"Jesus said to those who believed in Him,
'If you continue in my Word and hold fast to my teachings, you are my disciples indeed,
and you shall know the truth and the truth shall set you free'."

John 8:31-32

Spring 2012

Dear Friends and Partners,

It's been quite the ride for the past few months here at LFM. We had a wonderful season last fall filled with God's goodness and faithfulness! How awesome is our God! There has been an even greater shift as we are seeing more and more healings and miracles taking place in our midst! All glory goes to Jesus – He's the reason! We continue to witness His marvelous works in the lives of many as people come to Bethel (individual ministry and prayer or classes) or the conferences and healing services that LFM is now doing outside of Bethel. People are hearing and receiving the truth about Jesus and what He has done for them to set them free and stay free!

We also had a wonderful Christmas season and celebrated the birth of Jesus in carols, dance, message, fellowship, food, and gifts! Those present were our LFM team, partners, and many of our participants who have received their healing or are in the process. What a glorious night we had at the Sheraton, Denver West! All monies received at the offering were used to bless 8 families and individuals who were in need at that time through LFM's Angels in Disguise.

The Lord revealed to our team after a week of prayer and fasting in January, that not only would we have ministry here at Bethel, but He would expand our territory and take us outside of these walls. LFM has done just that, and the Lord has called us to help others through conferences and equipping other ministries and churches for healing ministry. It's so exciting to be able to work together as the body of Christ – pouring new wine into new wineskins!

This year in 2012, we are already off to an amazing start with Jesus! ...

We held our first weekend conference in February – "The Authority of the Believer" at the Denver West Marriott. It was a wonderful weekend filled with great teaching from some of the LFM teaching team, worship,

dear friends continued...

and the anointing from the Lord to bring truth and victory into the lives of all who came. Two weeks later, LFM started the 10-week Authority of the Believer class. There are about 30 students who are attending and hungry to know the truth about exercising their spiritual authority here on the earth! And they are doing it! Each week we continue to hear more awesome stories of what God is doing as they step out in faith and apply what they are learning! Please keep them in your prayers as you feel led.

We also held a 3-hour workshop on “Freedom from Rejection, Unworthiness and Inferiority” on March 3rd, and 45 people attended. The Lord was so very present as the Word was taught. So many that came, received the truth that they are unconditionally loved and accepted by the Lord. The stories go on! Praise Jesus!

A Sign and Wonder from the Lord to us....We ask for your prayers for us as we continue to lead the ministry as a whole. It's an honor and joy to serve Him! However it's not always easy. Most of the time we are in the peace, joy and strength of the Lord, but last week was tougher, with some real highs and lows that come with leading a ministry like this. I had really been seeking the Lord for His direction and peace for me personally to continue doing what He has asked of me. Craig's encouragement and words were life-giving to me (I praise God for such a wonderful man He gave me!). Then on Saturday morning, March 24, Craig and I were having our coffee and prayer time before starting our day, and God sent a huge “golden eagle” to us! He landed on our deck, just 10 feet away, perched on our planter. The eagle looked directly at us and stayed for a brief time and continued to stay near our home for a few hours. . What a sign from the Lord that He is with us, and looking out for us and directing us! Craig and I were overwhelmed with tears of this amazing sign from Him & being in His presence in such a way! And again, the Eagle of the Lord returned 6 days later to visit us, remaining close to us for several hours and assuring us of His love, presence, power and strength in our lives and ministry with LFM. We know this was a sign and wonder from the Lord.

Craig and I want to thank you from deep within our hearts for your love, prayers, encouragement, and support of what God is doing here at LFM. We love you and thank each of you! Please continue to tell others about us – especially those who are in need of healing or breakthroughs in their lives. We just happen to know someone who can help them, and His name is Jesus! We pray God's richest blessings upon you and your families, and we invite you to come to Bethel, or attend one of our upcoming events so you can see and experience for yourself the wonderful,

Hallelujah!

amazing things God wants to do in your life. He wants His children healed and whole to fulfill the Great Commission given to each of us... (Mk.16:15-18; Matt.28:1-20).

In His Service,
Reverends Terri and Craig Parzybok

Life-Changing Stories & Healing Testimonies

From September to December 2011, we began the 12-week healing class, and many people in the class were healed and set on a new path to freedom and abundance! God is still in the healing business – He does not change (Mal.3:6)! It's always hard when the 12th week class comes, because no one wants it to end! You can read stories from some of the students about what God has done in their lives through the class (below). God also healed one of our students, "Sam" by calling him home to be with Him. How did you rate so high, Sam?!!! Well, enjoy reading the stories and comments below, you will be blessed as we have been, to witness God's power, love, and grace in their lives. You must also know... that the God who was there for them, is the same God who is there for YOU!!

Mary & Anna Marie

Mary – Healed of Fear, Physical Pain, Uncertainty

"On May 18th, 2011, my sister suggested that my husband and I go visit Living Free Ministries. God worked out the details and we all went to LFM for the first time. We had no idea where Bethel was, but the Lord knew how much we all needed healing and breakthrough that day. My husband had many fears, as a result, he was not sleeping, not eating, and struggling in his work place, and

had been very oppressed as a result, and discouraged about our future. My body had been starting to break down, and I had been afflicted with back pain first, then neck pain, then major pain in my wrists. I couldn't even brush my teeth without pain. There was such stress in my life, and burdens I was carrying. That day, an LFM team prayed for my husband and another team ministered to me. I heard the truth about Christ my Healer and came to know and realize that "...by His stripes, I am healed..." Isaiah 53:5 & 1 Pet.2:24. I didn't have to wait any longer! Since then, my husband and I have been healed, our marriage has been restored and our son has been healed and brought closer to us than ever before. We pray, talk, and laugh together. My husband's fear is GONE!! My wrists have been healed and I have given my burdens over to God and He takes care of them!! I have learned through the ministry and the Healing Class, that I do not have to carry these burdens, pains and sicknesses, any longer. Jesus carried them for me in His stripes. All glory be to You, Jesus!" (Mary is also a new member on our LFM Ministry Team as of this spring 2012, Welcome Mary!).

Anna Maria – Healed of Depression, Bipolar, Fear

"My first time at LFM, was last May 18, 2011, I came with a heavy heart and clouded soul. My doctor suggested I come and my sister drove me. I was living with bipolar, depression and fear for the last 36 years. I was not driving except to necessary places close to home. The first time I came to LFM, I heard the Word about Jesus as my Healer, and that day He came into my heart and soul and took away my pain and sorrow, "...by His stripes, I was healed!" I continued to attend the ministry at LFM and within a few weeks, I was feeling lighter, happier and my joy was returning. THANK YOU JESUS! I am now driving to LFM on my own, and drove to the mountains for the first time in 12 years, and as I was sitting on the deck at a friend's house looking at God's beautiful scenery, I could FEEL the HEALING throughout my entire spirit, soul and body. I started speaking the WORD of God over myself, as I was taught through LFM, and woke up one morning and the Lord revealed to me that I MUST attend the Healing Class this last fall of 2011. This scripture, Phil 4:19, became alive to me, "I can do all things through Christ who strengthens me." The class was exceptional!! I surrendered my bipolar, depression, and fear to JESUS. Jesus paid the price for me to be free. People keep telling me that I don't look like the same person. My joy has returned and the cloud has been lifted. I am so thankful to JESUS and what He did for us at the class. I thank you, Terri & LFM Team. I have always had JESUS, but did not have the knowledge of his healing power and weapons to defeat this disease, which was of the enemy. I praise you, JESUS, and will continue in Your WORD for the TRUTH has made me free! "John 8:31-32. I am in recovery now." (Anna, is a new member on our LFM Ministry Team this spring, 2012. Welcome Anna!)

Living Free Ministries Branches

Legacy

Young Adult Ministry Leaders - Orlie & Cindy Vigil

Legacy is life-giving Ministry for young adults (Ages 18 to 30's). Legacy meets Monday nights from 7:00 to 9:00 pm at Bethel (home of LFM), and is led by Orlie and Cindy Vigil. It has been almost 1 year since this branch of the LFM Ministry was launched. We have grown in two ways: Numbers (those attending weekly) and in knowledge, and understanding of God's Word. We do an interactive Bible study each week, and also pray for those who have needs each week. The Young adults have had amazing breakthroughs in their lives in this first year! Legacy also meets outside of Ministry for social events around the Metro area. Come check us out and see what God is doing on Monday nights! Go to the ministry website or call 303-421-6865 Ext 1 for more info!

Hands Xtended

Nursing Home Pastor - Sharon Keith

Sharon brings the love and compassion of Jesus and the Word of God alive to many residents in 2 nursing homes (Bethany and Emeritus) every week. She is also adding a 3rd nursing home soon. The nursing home residents are so hungry for love and attention and so enjoy their time when Sharon and her volunteer team are there. Sharon and her team have such a heart for the elderly, and we are so grateful for their time while that they are there. Even in the Alzheimer wards, the residents are hearing and receiving the wonderful Word of God! They sing the "old religious hymns" and they sing with their hearts! We are definitely in need of more volunteers to help bring God's love, message, and healing prayer to these precious people.

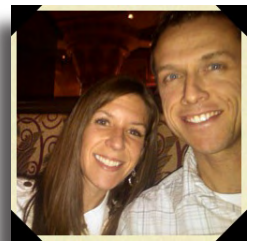

If you have an interest in volunteering or helping Sharon and Karen in any way at these nursing homes, please contact LFM at 303-421-6865 Ext.1. Whatever you do, the Lord will bless you. As The Word says, "The harvest is ripe, but the workers are few." Please pray for the residents and our LFM Members, Sharon and her team of volunteers.

Young Life

YL Central Jeffco Leaders - Mark & Erika Jay

Exciting news! This February, Young Life (Central Jeffco) became a part of the LFM family! We are so thrilled to have Mark and Erika Jay (YL Area Directors) and their leadership team on board!

"We are excited to be a part of LFM! Young Life's heart is to reach teenagers in our community with the love of Jesus through building relationships with kids in public high schools and middle schools, and meeting them on their turf. We don't wait for them to come to us, but go to them, meeting them where they are at and loving them unconditionally, no matter what they believe. Central Jeffco Young Life focuses on students in Golden, Wheat Ridge, N. Lakewood and Edgewater. More than 180 high school students from Golden have come to Young Life over the course of the school year and over 60 middle school students from Bell have attended WyldLife, (YL's middle school outreach). If you feel led, please pray for the following prayer requests for YL: For Young Life and Wyld Life camp sign-up (outreach summer camps in June) For our volunteer leaders, Funding for ministry and camp scholarships. Thank you so much!" - Erika and Mark Jay

Praise Jesus!

JC -Healed of Alcohol, Anxiety, and Worry

I just wanted to thank you all for the wonderful ministry that God has blessed you with at LFM! I went to one of your Wednesday meetings and was welcomed with open arms and love. I was ministered to by one of your LFM Teams. I asked for prayer for a drinking problem that got out of hand while trying to self medicate for some anxiety issues. I really didn't think that I could show up to work without a buzz. The team ministered to me about what God's Word says about healing and deliverance, and what Jesus has accomplished for me already at the Cross. I was doing better but then, about a week after ministry, I hit the alcohol hard to the point that I was throwing up. This is when I heard God tell me, "I am purging you of this!" Since then God has performed a complete deliverance of alcohol, anxiety, and worry. I have no desire at all for alcohol. I am a new person. I have joy again that bubbles up out of my innermost being. I am growing in the things of the Lord! I want to thank JESUS my Deliverer!!!!

Testimonies of God's Goodness & Faithfulness!

Kitty -Healed of Depression, Bipolar

As a young girl, not growing up in a Christian home, I believed a lie that I would have a strange disease and die by age 19. I did get a strange disease in college called "Porphyria" which took the Dr's years to diagnose and find an Rx. I was opened up to suicide and hopelessness after many failed relationships with guys. I was depressed from age 19-24. I had numerous suicide attempts, but, Praise God, they were not successful. My younger sister rescued me in the garage inside a running car one time. My parents sent me to psychiatrists and tried to reason with me about depression, which my mother suffered from as well. I have been healed of the bipolar and depression and have been totally delivered from a tormenting spirit of suicide. I became a believer at age 24. I heard the gospel at the CU Medical Center where a pastor and his wife had a meeting to show slides of Israel. I was only willing to call on God for emergency help and not as Savior or Lord. Not until I was more broken and my life was in "the pits" was I willing to give God a try and surrender my life to Him. I had a magnificent conversion when I finally surrendered everything to Him! Praise God!

Paul -Healed of Chronic Lymphoid Leukemia

August 22, 2002 I was diagnosed with CLL (Chronic Lymphoid Leukemia) at the age of 57. This was followed by 27 chemo treatments over a period of 6 months. Many were praying for me and as I was going through it all, I used the Bible verse, 1 Peter 2:24, "By His stripes I am healed". But in 2010, my blood counts were off and Craig and Jen, from Living Free Ministries, invited me to attend a meeting at LFM that would start the healing process. I met with a Living Free Ministries team in December of 2010. They taught me about God's love and the truth about what Christ did for me to be healed and whole. Then they laid hands on me for my healing. A few months later, in April 20-21 2011, I attended some meetings held by guest speaker, Dr. Sandra Kennedy of Whole Life Ministries, from Augusta GA. These meetings were sponsored by Living Free Ministries. At the meetings, Dr Kennedy taught people about Christ the Healer, and how to receive their healing, followed by a powerful healing explosion on the final night. That last night, Dr. Kennedy walked around the room, and she stopped and fixed her eyes and pointed at me and said, "You are healed"! I felt goose bumps start at the top of my head and flow down to the tips of my toes, and yes, I WAS HEALED!! I knew it!! At my next oncologist appointment, he looked at the results of the blood draws, and said that they were normal. I explained what had happened at the meetings with Dr Sandra Kennedy, and he said, "I'm not proud, I'll accept all the help I can get." He wanted more tests through the following months, and all were normal. My port was removed February 12, 2012, because it is no longer needed. PTL. To God be the Glory... Thank you Living Free Ministries and thank you to Cheri (my wife and caregiver)!!!!

Elsie -Healed of Severe Tooth Pain

In the Fall of 2011, I was attending the 12 - week Healing Class at Living Free Ministries. One Thursday night when I was supposed to be coming to the class, I called LFM to let them know that I would not be coming because I was experiencing such severe pain. I was dealing with pain for several weeks in my jaw tooth, and I didn't think that I could come to class that night because of it. One of the team members suggested that we pray over the phone for my healing, because there is no distance in God's Word. So we prayed, in the name of Jesus, for the pain to go and my tooth and jaw to be healed and made whole, and immediately the pain left and has not returned! Thank You Jesus for my total healing! I went to the dentist about a month later, and she said there is nothing that needs to be done. Earlier in the year she thought I might need some extensive work done. Praise God I won't, because He healed me!
