'If you continue in my Word and hold fast to my teachings, you are my disciples indeed,
and you shall know the truth and the truth shall set you free'."

summer 2012 

Greetings Friends, Partners, & Participants!

What a joy it is to serve our living God together and be in kingdom partnership with all of you! Thank you for your love, prayers and support that you continually offer to LFM. Each week here at Bethel, our LFM team continues to teach the Word and Truth about Jesus as Healer, offering His outrageous love, and healing power that brings life and restoration to all who walk through the doors of Bethel (home of LFM - a sanctuary of love and healing!). All praise and glory be to You, Lord!

LFM held their first Healing & Worship service on Friday, April 27th at the Denver West Marriott in Golden. Many people attended and received their healing and breakthroughs from the Lord. It was such a wonderful display of God's healing love and power as He touched and revealed Himself in a special way to each one. In addition to our new band "Found" who led the worship, we also had a few special guest musicians present: Mike Marek on Keyboard, Pat Van Dyck on Cello, Chris Jones on Harp.

In May, LFM held an emotional healing Seminar to bring healing from fear, anxiety and worry. Many of those who attended are now beginning to walk in true peace, joy and rest, finding new freedom and purpose in their lives and relationships! Please check the dates of upcoming events on the back page as we will be holding more healing services and seminars in the fall. For example...Pastor Sandra Kennedy from Whole Life Ministries in Augusta Georgia, will be coming to hold a Healing Explosion this fall...you won't want to miss it!!

Other exciting news... God has led our LFM team to bring the Healing Word and Message outside of the walls of Bethel to help train and equip other churches and ministries to begin their own healing prayer ministries! So many people are hurting and broken within the Church. God wants ALL people healed and whole especially His own. Please keep us in prayer as we come along side of these Pastors and Ministers helping them bring the healing Word of Jesus Christ to their own churches. It's such a privilege to serve them in such a way!

Monday, June 11th, LFM hosted Bishop Natasha from Russia! She has started over 600 churches in Russia & Europe. She is one of God's "Kingdom Generals" in our world today. She is a Missionary that City on the Hill Church from Boulder sponsors. Pastor Steve Shank from City on the Hill Church, one of our kingdom partners, was with us in May for a wonderful evening of teaching here at Bethel, and is the reason for Bishop Natasha's visit!

Please know how very much you are loved and that you are in our prayers every day and week! Because of you and your continued support of what the Lord is doing here, we are able to bring Jesus' Word, love and healing power to all those who are willing to believe, receive and apply Him to their lives. Also, we have great news that we want to share with you! Craig and I are now grandparents of our first grandbaby, "Natalie Grace." Her parents are our son Lance and his wife Kailly. What a joy to serve our living God with little Natalie in our LFM family!!

May His grace, love and healing abound in you,

Terri & Craig Parzybok

ADMIN POSITION

As most of you know our LFM team consists of all volunteers, however with the rapid growth we are experiencing at LFM, after much discernment and prayer, the Board of Trustees have decided to bring on a part time administrator to help Terri with the day to day operations. Nancy Ranfranz will fill that position. Nancy has served with LFM from its birth, has worked with various ministries and churches in an administrative capacity as well as leading ministries. Most importantly, Nancy believes in the vision for LFM given to Terri, and carries the heart of the Lord for this ministry.

Does Jesus Want Me Well? Teaching by Larry Fansler - LFM Team Member

In Matthew 8:1-3 (NKJV): "When He had come down from the mountain, great multitudes followed Him. And behold, a leper came and worshiped Him, saying, "Lord, if You are willing, You can make me clean." Then Jesus put out His hand and touched him, saying, "I am willing; be cleansed." Immediately his leprosy was cleansed."

In the passage above, the leper KNEW that Jesus WAS ABLE to heal him, but he was NOT SURE if He was WILLING to do so. As a result, he asks the question above. In order to properly address this question, there are some things about Jesus' character that we need to establish from His Word. Consider the following two (2) scriptures... Malachi 3:6 "For I am the LORD, I do not change"... Hebrews 13:8 "Jesus Christ is the same yesterday, today, and forever." These two scriptures indicate that Jesus does not change. If He was willing to heal the leper, He is willing to heal us!!

How difficult is it for us to receive our healing? Consider the following scripture in Matthew 9:1-7: Jesus Forgives and Heals a Paralytic..."So He got into a boat, crossed over, and came to His own city. Then behold, they brought to Him a paralytic lying on a bed. When Jesus saw their faith, He said to the paralytic, "Son, be of good cheer; your sins are forgiven you." And at once some of the scribes said within themselves, "This Man blasphemes!" But Jesus, knowing their thoughts, said, "Why do you think evil in your hearts? For which is easier, to say, 'Your sins are forgiven you,' or to say, 'Arise and walk'? But that you may know that the Son of Man has power on earth to forgive sins"—then He said to the paralytic, "Arise, take up your bed, and go to your house." And he arose and departed to his house.

Do you see what Jesus is saying in verse 5? He's saying that receiving your healing is as easy as receiving your salvation! So, how did you receive your salvation?? Consider the following scripture: Romans 10:9-10... "that if you confess with your mouth the Lord Jesus (or confess Jesus as your Lord), and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation."

According to verse 9, you confess with your mouth JESUS as YOUR SAVIOR and believe in your heart that God raised Him from the dead, YOU WILL BE SAVED! In the Greek, the word for SAVED is SOZO, which means, SAVED, HEALED, DELIVERED, and PROSPERED!! So, based on this, if you confess with your mouth JESUS as YOUR HEALER and believe in your heart that God raised Him from the dead, YOU WILL BE HEALED!!!

From Death to Life!

Overcoming Rejection & Abuse

The lyrics to Twila Paris' song, "I Am Ready", goes like this.....

"I am ready to be all You've have given me to be.Lord. I offer You my pride and lay it down
Where I have been bound, Father come and set me free.I am ready now to be finally me
I am ready to be, all You've given me to be.Lord. I offer You my life and lay it down
Where I have been bound, Father come and set me free.
I am ready now to be finally, faithfully, willingly – me!"

It was May 1995 and I was finally ready to be all that He had given me to be. I was ready to lay down my pride and my life. I knew that I was bound up and I knew that Jesus could set me free. I was finally ready to be me. Twila Paris writes on the CD cover for this song – "I've always had a tendency to cling to comfort zones and resist following the Lord into new levels of life and ministry." I could identify with that. She goes on to say that this song was not meant to represent arrival, but rather a choice at a threshold. I was at a threshold of my life. I had a decision to make – was I going to continue to allow my pain and the sin of my past to haunt me and control me, or was I going to allow Jesus into those areas of my life? Was I going to allow Him to come in and heal me no matter what? No matter what it took, no matter how it felt, no matter what happened – I had, had enough. And why had I had enough? Because I had come to learn what it really meant to be a child of God. I had learned who I was in Christ, who He was in me, and what He had already done for me.

In 1994 I spent a year studying the book "Victory Over the Darkness" by Neil Anderson, and the "Who I Am" scriptures. I used those scriptures to renew my mind and as a result, it gave me the courage to face my inner turmoil and

those haunting memories of my past that just wouldn't go away. It also gave me the courage to address those unhealthy thought and behavior patterns that I had developed as a result of my pain and used to protect me from a hostile world. I knew I had to deal with the sin – my own sin and the sin done against me. I was ready, finally, faithfully and willingly to be me.

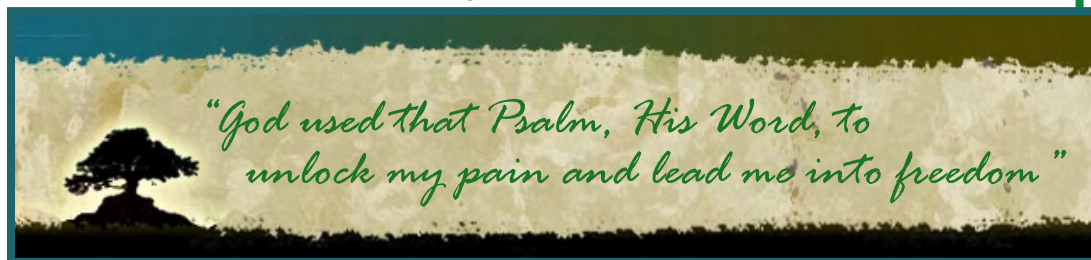

I was raised in an affluent area outside of Chicago. I lived in a nice home, nice neighborhood, dad had a good job, mom stayed home with us, and we went to church on Sunday's. But despite all my physical needs being met, emotionally, I began to deteriorate at a young age. With a verbally abusive father and sexual abuse from the older boys in the neighborhood, I soon found myself with a PH.D. in fear, rejection, and rebellion. Turning to drugs and alcohol at an early age gave me the numbing affect I needed to survive. I worked hard wishing away the shame and guilt, and I became an expert in repression and denial, which plays a powerful part in an abuse victim's life.

Personal Testimony - Nancy Ranfranz

I developed the coping mechanisms I needed to continue to live and spent an enormous amount of psychological energy burying the pain until I was able to deal with the trauma.

As I entered into a season of healing in the mid 90's, laying the foundation of my identity in Christ was crucial, and what I soon found out, non-negotiable to not only moving me through my healing but to maintaining it. He gave me Psalm 116 to cling to as my healing Word, the Word that turned into a lifeline for me. It took me months to read it through once. I couldn't get past the first verse for weeks....."I love the Lord, for he heard my voice; he heard my cry for mercy." It stirred up all the anger and rage inside of me that I had buried so deep. I was so scared as to what would happen if I let it up and out. God used that Psalm, His Word, to unlock my pain and lead me into freedom. I confronted my fears, addressed and banished the rebellion, worked through the forgiveness, and cast out rejection. I learned how to trust in a way I had not experienced. I took my pain to the foot of the cross allowing Jesus to enter into those memories, and take them out from under the curse to under His blessing.

As I allowed Jesus to lead me to the point of truly dying to myself and raising me up again, I felt His pain and His suffering. It was then that I realized that I had just experienced Romans 6 where Paul says, "do not let sin reign (referring to our old sin nature not individual sin) in your mortal body so that you obey its evil desires. Do not offer the parts of your body to sin, as instruments of wickedness, but rather offer yourselves to God, as those who have been brought from death to life....." And Romans 8:17, "Now if we are children, then we are heirs – heirs of God and co-heirs with Christ, if indeed we share in his sufferings in order that we may also share in his glory." Yes, as with Jesus, there is pain before the glory.....and yes, it was His will that I learned to embrace. His will that I live a

life of complete freedom with total abundance. Soaking in His Word, allowing it to penetrate my head, my heart, and my total being brought me to full restoration. Taking the risk to take Him at His Word, replacing fear with faith, and believing in His promise in Jeremiah 29, "Then you will call upon Me and go and pray to Me, and I will listen to you. And you will seek Me with all your heart. I will be found by you, says the Lord, and I will bring you back from your captivity."

Glory to God!

Praise Jesus!

Jim -Back Pain & Herniated Disks Healed

After 2 months of exercises (2 hrs a day) I had experienced little improvement in my back and was discouraged. Applying what I learned in the Authority Class, I prayed over my back in Jesus' name. I've had very significant improvement and am very encouraged! After all, I've learned that Christ wants us to be healthy to be used for Him.

Testimonies of God's Love & Healing!

many taken from the Authority of the Believer Class - Spring 2012

Gina & Nick -Severe Burn Healed

I was mowing the lawn at our church on an old riding mower and I accidentally burned my hand when I touched the engine. Immediately, it started to blister, swell and was incredibly painful. As an LFM team member, I have learned to use my God-given authority as a believer and trust God for my healing. As I continued mowing, I prayed for healing of my hand, and also considered going inside the church to ask someone to pray in agreement with me. At just that moment, I was surprised to see my son who lives near the church and happened to be walking nearby. He is also on the LFM team so I asked him to pray with me. We prayed over my burned hand in Jesus' name, and it began to heal immediately. Within just two days it was completely healed and back to normal! I shared this testimony at the Wednesday ministry that week where Nick was giving a teaching on Jesus the Victor. One of the scriptures he had planned for that teaching (planned prior to my burn accident) was from Isaiah 43:2, "When you walk through the fire, you shall not be burned." Praise and thanks be to Jesus!

Mary -Free from Fear, Anxiety, Unworthiness,
Discouragement & Unforgiveness

I've learned about Jesus' love, His power and my authority in the Authority of the Believer Class. His resurrection power has been released in my life and I am free from fear, anxiety, unworthiness, unforgiveness, discouragement and physical pain. My marriage has been restored, our son is being healed and our daughter is being set free from fear. Thank you Jesus and thank you LFM!

Jim -Skin Condition Gone

The month of April I suffered from an irritating skin condition similar to exema but accompanied by a fever. By applying what I learned in the Authority Class, I took authority over the condition in Jesus' name and it is completely gone without having to see a doctor.

Sally -No More Back Spasms

During the Authority Class, Terri prayed for me and laid hands on my back. From that time on, I had no pain or spasms. Just once I felt a spasm try to come and I spoke to it in the name of Jesus and it did not last as it had in the past and did not come back. (Mark 16:18)

Kitty -Filled with Love & Honor

During the Love and Honor section of the Authority Class, I repented of my disrespect for my sister and my husband. God put me in alignment with him. The love, honor and respect that has now been poured out in my heart for both of them (and others) amazes me!

Michelle -Healed from Food Allergies
& Set Free from Fear

I found out a "natural healing" doctor I had gone to was part of the occult. By using the name of Jesus (as I learned in the Authority Class), I took authority over my body and broke off any curses from the occult. I no longer have to take enzymes before I eat and I used to have to take them with every meal. I also learned about Romans 8:1, which changed how I view God. It's all about His love...it casts out all fear!
